

# Project Brief

Country	Republic of Moldova
Project Title	Accommodation for pregnant women and women with kids in the women's prison in Pruncul
Cooperation Partner	Caritas Switzerland
Project Goal	To provide adequate conditions of detention for mothers with children and pregnant women in the prison
Project Description	<p>The project aims at constructing a two-storey building within the premises of <i>Pruncul</i> prison for mothers with children and pregnant women. The building will meet the European standards regarding the available space for each prisoner.</p> <p>The building will consist of five double bedrooms, each of them connected to a bathroom; one kitchen equipped for cooking of children's meals. Additionally the building has a medical room; a playing room for children and a storage room. Also, the yard will be accommodated for walking.</p>

Duration	2007 - 2008
Funding from LED	CHF 128'000
